

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gus Arvanitis
DOCKET NO.: 17-30678.001-R-1
PARCEL NO.: 09-18-307-011-0000

The parties of record before the Property Tax Appeal Board are Gus Arvanitis, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,953
IMPR.: \$23,067
TOTAL: \$27,020

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level masonry dwelling with 1,273 square feet of living area. The dwelling is approximately 53 years old. Features of the home include a partial basement with finished area, and a two-car garage. The property has a 6,875 square foot site and is located in Des Plaines, Maine Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the same neighborhood code as the subject property. The comparables have sites ranging in size from 6,877 to 8,765 square feet of land area and are improved with similar class 2-34 dwellings of masonry or frame and masonry construction. The dwellings range in size from 1,251 to 1,752 square feet of living area and range in age from 42 to 52 years old. The comparables each have a partial basement

with finished area, and a two-car garage. Three comparables have central air-conditioning and one comparable has a fireplace. The properties sold from May to December 2015 for prices ranging from \$209,000 to \$320,000 or from \$167.07 to \$195.84 per square foot of living area, including land.

Based on this evidence, the appellant requested that the subject's total assessment be reduced to \$23,431. The requested assessment would reflect a total market value of \$234,310 or \$184.06 per square foot of living area, land included, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,020. The subject's assessment reflects a market value of \$270,200 or \$212.25 per square foot of living area, including land, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the same neighborhood code as the subject property. The comparables have sites that range in size from 6,875 to 8,030 square feet of land area and are improved with similar class 2-34 dwellings of frame and masonry construction. The dwellings range in size from 1,202 to 1,273 square feet of living area and range in age from 50 to 54 years old. The comparables each have a partial basement with finished area, and a one and one-half car or a two-car garage. Three of the comparables have central air-conditioning. The properties sold from March 2015 to June 2016 for prices ranging from \$282,000 to \$343,000 or from \$225.42 to \$285.36 per square foot of living area, including land.

The board of review also submitted information on four equity comparables. Since this not responsive to appellant's overvaluation argument, these equity comparables will not be considered by the Board in its analysis.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparables #1 and #3 and board of review comparables #2, #3 and #4 as which are dated having sold 16 or more months prior to the January 1, 2017 assessment date at issue.

The Board finds that appellant's comparable sales #2 and #4 and board of review comparable sale #1 sold more proximate in time to the January 1, 2017 assessment date at issue and were similar to the subject in location, age, dwelling size, and most features. These comparables sold from November 2015 to June 2016 for prices ranging from \$209,000 to \$343,000 or from \$167.07 to \$285.36 per square foot of living area, including land. The subject's assessment reflects a market value of \$270,200 or \$212.25 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
