

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Smith
DOCKET NO.: 17-30795.001-R-1
PARCEL NO.: 14-05-314-015-0000

The parties of record before the Property Tax Appeal Board are David Smith, the appellant(s), by attorney Jennifer Kanik, of the Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 18,748
IMPR.: \$ 21,252
TOTAL: \$ 40,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject consists of a two-story dwelling of masonry construction with 3,701 square feet of living area. The dwelling is 107 years old. Features of the home include a full finished basement. The property's site is 4,687 square feet, and it is located in Lakeview Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$400,000 as of November 28, 2014. The appraisal states that the subject is owner-occupied. The appellant also submitted evidence disclosing the subject property was purchased on January 23, 2015 for a price of \$325,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$32,500.

The board of review submitted its “Board of Review Notes on Appeal” disclosing that the total assessment for the subject is \$54,610. The subject’s assessment reflects a market value of \$546,100, or \$147.55 per square foot of living area, including land, when applying the 2017 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and three sale comparables. These sale comparables sold from June 2015 to September 2017 for \$527,500 to \$593,500, or \$168.66 to \$236.73 per square foot of living area, including land. The board of review’s evidence also states that the subject was purchased in January 2015 for \$325,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject’s assessment is warranted.

The Board accorded no weight to the sale of the subject in January 2015 for \$325,000. While the appellant submitted evidence of the sale price and sale date, no evidence was submitted as to whether the sale was an arm’s-length transaction. The appellant did not complete any portion of Section IV – Recent Sale Data of the appeal form. Moreover, the settlement statement submitted by the appellant shows that no broker’s fees were paid by the buyer or seller. Thus, this sale was accorded no weight in the Board’s analysis.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject’s assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$400,000 as of the assessment date at issue. Since market value has been established, the 2017 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
