

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Olena Hungerford
DOCKET NO.: 17-30828.001-R-1
PARCEL NO.: 17-06-323-043-1003

The parties of record before the Property Tax Appeal Board are Olena Hungerford, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,430
IMPR.: \$44,417
TOTAL: \$47,847

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium unit within an 18-year old, multi-story, condominium building. The property is located in Chicago, West Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted the settlement statement which disclosed the purchase of the subject on December 9, 2016 for \$490,000. The appellant also submitted a grid of 2015 assessment ratios and requests this median level be applied to the sales price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$47,847 which reflects a market value of \$478,470 using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10% .

In support of the assessment the board of review submitted a recorder of deeds printout showing the sale of the subject for \$490,000. The board of review also submitted a brief asserting that the appellant submitted an incorrect level of assessment and that the ordinance level should be used.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in December 2016 for a price of \$490,000. The appellant submitted evidence of the sale of the subject. The board of review did not challenge the sale or the arm's-length nature of the transaction. Moreover, the board of review listed this sale in its evidence. Based on this record the Board finds the subject property had a market value of \$490,000 as of the lien date. The Board further finds the appellant submitted incorrect and unsupported assessment ratio evidence and gives this evidence no weight. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
