

### FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT:	Jim Vari
DOCKET NO.:	17-31035.001-R-1
PARCEL NO .:	18-30-406-004-0000

The parties of record before the Property Tax Appeal Board are Jim Vari, the appellant, by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds <u>*A Reduction*</u> in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$13,000
IMPR.:	\$42,160
TOTAL:	\$55,160

Subject only to the State multiplier as applicable.

#### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

#### **Findings of Fact**

The subject property consists of a one-story dwelling of masonry exterior construction with 2,108 square feet of living area. The dwelling is approximately 61 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 3-car garage. The property has a 20,000 square foot site and is located in Burr Ridge, Lyons Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-04 dwellings of frame, masonry or frame and masonry exterior construction that range in size from 1,949 to 2,470 square feet of living area. The homes

range in age from 59 to 66 years old. Three comparables have a concrete slab foundation and one comparable has a crawl space foundation. Each comparable has central air conditioning, one fireplace and a 2-car garage. The comparables have improvement assessments ranging from \$30,342 to \$39,253 or from \$15.57 to \$19.06 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$35,562 or \$16.87 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,934. The subject property has an improvement assessment of \$47,934 or \$22.74 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with one-story class 2-04 dwellings of masonry, stucco or frame and masonry exterior construction that range in size from 2,622 to 2,669 square feet of living area. The homes are either 4 or 7 years old. Each comparable has a basement, one with finished area, central air conditioning, one fireplace and a 2-car or a 2.5-car garage. The comparables have improvement assessments that range from \$62,231 to \$79,344 or from \$23.64 to \$30.26 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

In rebuttal, the appellant's attorney critiqued the board of review's comparables as being substantially newer than the subject in age and submitted an aerial map depicting the subject's proximity to both parties' comparables.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparable #4 along with the board of review comparables due to differences from the subject in age and/or dwelling size.

The Board finds the best evidence of assessment equity to be the remaining comparables which are similar to the subject in location, age, design, dwelling size and some features but differ from the subject in having either a slab or crawl space foundation. These comparables had improvement assessments that ranged from \$30,342 to \$39,253 or from \$15.57 to \$19.06 per square foot of living area. The subject's improvement assessment of \$47,934 or \$22.74 per square foot of living area falls above the range established by the best comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board

finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
