

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Judickas
DOCKET NO.: 17-31265.001-R-1
PARCEL NO.: 24-31-211-009-0000

The parties of record before the Property Tax Appeal Board are Joseph Judickas, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,615
IMPR.: \$18,562
TOTAL: \$25,177

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction with 2,042 square feet of living area. Features of the home include a full basement, central air conditioning, a fireplace and a two-car garage. The property has a 13,230 square foot site and is located in Worth Township, Cook County. The property is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$255,000 as of February 24, 2018. In addition, the appellant submitted a letter arguing that the subject's property taxes increased by too much considering that the property has not been renovated in at least 5 years.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$25,177. The subject's assessment reflects a market value of \$251,770 when applying the 2017 level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables with sales data on each of those properties. The board of review's comparables range: in age from 32 to 49-years-old; in size from 1,897 to 3,450 square feet of living area; in assessment from \$10.78 to \$13.18 per square foot of living area; in sale date from July, 2015 to August, 2017; and in sale price from \$250,000 to \$460,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value below the best evidence of market value in the record. Therefore, the Board finds that the appraisal supports the current assessment and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
