

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John O Hara
DOCKET NO.: 17-31337.001-R-1
PARCEL NO.: 12-34-306-044-0000

The parties of record before the Property Tax Appeal Board are John O Hara, the appellant(s), by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,758
IMPR.: \$8,992
TOTAL: \$11,750

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 71-year-old, multi-level, building of masonry construction containing 1,655 square feet of gross building area. The property is situated on 5,016 square feet in Melrose Park, Proviso Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$117,500 as of January 1, 2016. The appellant also submitted a settlement statement that disclosed the subject was sold by Federal National Mortgage Association (Fannie Mae) for \$83,222 on April 30, 2013. The appellant requested a total assessment reduction to \$8,322.

The board of review did not submit evidence in support of the assessment. The Board entered an Order of Default against the board of review. On September 10, 2019, the Board denied the board of review's Motion to Vacate Default.

In rebuttal, the appellant acknowledged the board of review did not submit evidence. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$117,500 as of the assessment date at issue, as disclosed by the appraisal. The Board is not persuaded the 2013 sale of the subject property is the best evidence of market value since it was not a recent sale. The Board need not address whether the subject was sold in 2013 at arm's-length for fair cash value. Since market value has been established, the 2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
