

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Kollath  
DOCKET NO.: 17-31820.001-R-1  
PARCEL NO.: 14-31-302-004-0000

The parties of record before the Property Tax Appeal Board are Robert Kollath, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$9,600  
**IMPR.:** \$36,460  
**TOTAL:** \$46,060

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, multi-family dwelling of masonry construction with 1,920 square feet of living area. The dwelling is 137 years of age with features including: a full basement, two apartments and a two-car, detached garage. The property has a 2,400 square foot site and is located in West Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables. The appellant submitted a copy of the final decision of the board of review disclosing the property has a total assessment of \$46,060 and an improvement assessment of \$36,460 or \$18.99 per square foot of living area. The support documents for the submitted comparables reflect the statement that the evidence is for 'the 2018 appeal only'. In addition, the three comparables reflect improvement

assessments ranging from \$21.26 to \$24.09 per square foot of living area. The appellant's pleadings requested the subject's improvement assessment be changed to \$55,853.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the only evidence of assessment equity to be the appellant's comparables, but clearly indicated that the evidence was for the 2018 tax appeal only. Nevertheless, these comparables had improvement assessments that ranged from \$21.26 to \$24.09 per square foot of living area. The subject's improvement assessment of \$18.99 per square foot of living area falls *below* the range established by the only comparables in this record. The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the evidence submitted by the appellant and after making pertinent adjustments to the comparables finds that a change in the assessed valuation of the subject property *is not* warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
