

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jaroslaw Mozdzen
DOCKET NO.: 17-31863.001-R-1
PARCEL NO.: 03-28-311-014-0000

The parties of record before the Property Tax Appeal Board are Jaroslaw Mozdzen, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,791
IMPR.: \$21,615
TOTAL: \$26,406

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 58-year old, multi-level, single-family dwelling of frame and masonry construction with 1,248 square feet of living area. Features of the home include: a partial basement, central air conditioning, one full and one half-baths, and a two-car garage. The property has an 8,712 square foot site and is located in Wheeling Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables. The appellant's comparables were improved with a multi-level, single-family dwelling of frame and masonry construction. The improvements ranged: in age from 55 to 62 years; in size from 1,138 to 1,255 square feet of living area; and in improvement assessments from \$17.32 to \$17.85 per square foot. The appellant submitted a copy of the final decision of the board of review disclosing the property has a total assessment of \$27,870 and an improvement assessment of \$23,079 or \$18.49

per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$21,615 or \$17.32.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property. The board of review was defaulted in July, 2019 with the Board denying at its meeting of September, 2019, the board of review's motion to vacate this default.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the only evidence of assessment equity to be the appellant's comparables. These comparables had improvement assessments that ranged from \$17.32 to \$17.85 per square foot of living area. The subject's improvement assessment of \$18.49 per square foot of living area falls *above* the range established by the only comparables in this record. The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property *is* warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
