

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dorine Johnson
DOCKET NO.: 17-31940.001-R-1
PARCEL NO.: 16-14-216-023-0000

The parties of record before the Property Tax Appeal Board are Dorine Johnson, the appellant(s), by attorney Robert G. Kaucky, of Robert G. Kaucky & Associates in Berwyn; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,995
IMPR.: \$9,024
TOTAL: \$11,019

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1,900 square foot parcel of land improved with a 127-year old, two-story, frame, multi-family dwelling containing 2,096 square feet of building area. The property is located in Chicago, West Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted four sales comparables. The comparables are described as two-story, frame or masonry, multi-family dwellings. They range in age from 102 to 112 years and in size from 2,272 to 2,454 square feet of building area. They sold from August to May 2017 for prices ranging from \$32.33 to \$52.57 per square foot of building area.

The subject's total assessment is \$14,299 which reflects a market value of \$142,990 or \$68.22 per square foot of building area using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparables. These comparables had sales prices ranging from \$32.33 to \$52.57 per square foot of building area. In comparison the subject's assessment reflects a market value of \$68.22 per square foot of building area is above the range of the best comparables in this record. Based on this record the Board finds the appellant did demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
