

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brian Passmore  
DOCKET NO.: 17-32021.001-R-1  
PARCEL NO.: 16-13-302-033-0000

The parties of record before the Property Tax Appeal Board are Brian Passmore, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 3,281  
**IMPR.:** \$ 5,150  
**TOTAL:** \$ 8,431

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a one and one-half-story dwelling of masonry construction with 1,184 square feet of living area. The dwelling is 125 years old. Features of the home include a full unfinished basement. The property has a 3,125 square foot site, and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner occupied.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables. The appellant's pleadings state that the total assessment for the subject is \$9,775. The subject property has an improvement assessment of \$6,494, or \$5.48 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$8,408.

The Board found the board of review to be in default under 86 Ill.Admin.Code §1910.40(d), and, therefore, the board of review did not submit any evidence in support of the subject's current assessment.

**Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did meet this burden of proof, and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #1, #2, and #3. These comparables had improvement assessments that ranged from \$4.16 to \$4.41 per square foot of living area. The subject's assessment of \$5.48 per square foot of living area falls above the range established by the best comparables in this record. Based on this record, the Board finds the appellant did demonstrate, with clear and convincing evidence, that the subject's improvement was inequitably assessed, and that a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
