

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: DSK, LLC
DOCKET NO.: 17-32411.001-R-1
PARCEL NO.: 16-11-123-032-0000

The parties of record before the Property Tax Appeal Board are DSK, LLC, the appellant(s), by attorney Omar Banna, of Mayster & Chaimson, Ltd in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,697
IMPR.: \$9,500
TOTAL: \$13,197

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 101-year-old, two-story, building of masonry construction containing 5,151 square feet of gross building area. Features of the subject include a full unfinished basement. The property is situated on 3,521 square feet of land in Chicago, West Chicago Township, Cook County. The subject is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement disclosing the subject property was purchased on February 17, 2017, for \$95,000. The subject's sale price reflects a market value of \$18.44 per square foot of gross building area including land. The appellant also submitted a real estate contract, Warranty

Deed, Bill of Sale, Affidavit of Title and a Title Commitment. The appellant did not provide any information in Section IV–Recent Sale Data of the Residential Appeal other than that the sale was not between related parties. The appellant also disclosed the subject was uninhabitable at the time it purchased it. The appellant submitted photographs of the interior of the subject, construction drawings, a Plat of Survey, and a building permit dated May 2, 2017, and a Vacancy/Occupancy Affidavit from Shawn Kohli disclosing 100% vacancy in 2017.

Based on this evidence, the appellant requested a reduction in the subject's assessment to \$13,197.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$21,622. The subject's assessment reflects a market value of \$216,220, or \$41.98 per square foot when applying the 2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in February 2017 for \$95,000. The Board finds the purchase price was below the market value reflected by the assessment. Based on this record, the Board finds a reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
