

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George & Eva Angelopoulos
DOCKET NO.: 17-33450.001-R-1
PARCEL NO.: 12-11-306-030-0000

The parties of record before the Property Tax Appeal Board are George & Eva Angelopoulos, the appellants, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,455
IMPR.: \$20,748
TOTAL: \$25,203

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry exterior construction with 1,426 square feet of living area. The dwelling is approximately 50 years old. Features of the home include a full unfinished basement and a 2-car garage. The property has a 5,400 square foot site located in Norridge, Leyden Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on seven equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with one-story dwellings of frame or masonry exterior construction ranging in size from 1,281 to 1,649 square feet of living area. The comparables range in age from 50 to 63 years old. Three comparables have basements with one having finished area and

four comparables have either a concrete slab or crawl space foundation. Three comparables have central air conditioning¹. Two comparables each have one fireplace. Each comparable has a 1-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$16,471 to \$23,058 or from \$11.83 to \$13.98 per square foot of living area. Based on this evidence, the appellants requested that the improvement assessment be reduced to \$19,138 or \$13.42 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$25,203. The subject property has an improvement assessment of \$20,748 or \$14.55 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same neighborhood code as the subject. The comparables are improved with one-story dwellings of masonry exterior construction ranging from 1,294 or 1,373 square feet of living area. The comparables are either 50 or 51 years old. The comparables have full basements with two having finished area. Each comparable has central air conditioning and a 1.5-car or a 2-car garage. One comparable has one fireplace. The comparables have improvement assessments ranging from \$21,624 to \$22,545 or from \$15.75 to \$17.30 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eleven suggested comparables for the Board's consideration. The Board gave less weight to the appellants' comparables and the board of review's comparables #1 and #2 due to their finished basements, lack of basements, larger dwelling sizes, and/or older age when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables #3 and #4 as they are similar to the subject property in location, design, exterior construction, age, dwelling size, basement and features. These comparables have improvement assessments of \$16.49 and \$17.30 per square foot of living area. The subject's improvement assessment of \$14.55 per square foot of living area falls below the assessments of the two best comparables in this record. Based on this record, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

¹The appellant's attorney reports "1" or "2" for central air conditioning within the grid analysis. The Board has determined "1" signifies "Yes" and "2" signifies "No" based upon the description of the subject property provided by the board of review.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
