

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Arkadiusz Skiba  
DOCKET NO.: 17-33602.001-R-1  
PARCEL NO.: 15-14-101-016-0000

The parties of record before the Property Tax Appeal Board are Arkadiusz Skiba, the appellant(s), by attorney Scott Shudnow, of Shudnow & Shudnow, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,961  
**IMPR.:** \$5,689  
**TOTAL:** \$8,650

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, three-unit, multi-family dwelling of masonry construction with 6,969 square feet of living area. The dwelling is 66 years old. The property is located in Proviso Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased in July 25, 2017 for a price of \$86,500. The appellant stated the subject was in a vacant and dilapidated condition and submitted photos. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The subject's assessment is \$18,372. The assessment reflects a market value of \$183,720 land included, when using the 2017 level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In a letter dated September 11, 2019, the Property Tax Appeal Board stated it found denied the board of review's motion to vacate default.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in July 2017 for a price of \$86,500. The appellant provided evidence demonstrating the sale and submitted photos showing the dilapidated condition of the property. The Board finds the board of review did not present any evidence to refute the appellant's contention that the subject is overvalued. Based on this record the Board finds the subject property had a market value of \$86,500 as of January 1, 2017. Since market value has been determined the 2017 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2)

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
