

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Miltiadi Theodosopoulos
DOCKET NO.: 17-33806.001-R-1
PARCEL NO.: 03-07-303-028-0000

The parties of record before the Property Tax Appeal Board are Miltiadi Theodosopoulos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,129
IMPR.: \$37,871
TOTAL: \$45,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry construction with 3,089 square feet of living area. The dwelling was constructed in 1972. Features of the home include a partial basement, central air conditioning, a fireplace and a two-car garage.¹ The property has a 12,963 square foot site and is located in Arlington Heights, Wheeling Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$450,000 as of May 18, 2016.

¹ The parties differ slightly as to the size of the subject and whether the subject's basement is finished, however, the Board finds these discrepancies will not impact its decision for this appeal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$46,298. The subject's assessment reflects a market value of \$462,980 or \$149.88 per square foot of living area, including land, when using 3,089 square feet and when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparable to show that the subject was being assessed uniformly.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant estimating the subject property had a market value of \$450,000 as of May 18, 2016. The subject's assessment reflects a market value of \$462,980 or \$149.88 per square foot of living area, including land, which is above the appraised value. The Board recognizes that the effective date of the appraisal occurred greater than 7 months prior to the January 1, 2017 assessment date at issue. However, the Board finds the board of review's equity analysis is not responsive to the overvaluation argument brought by the appellant and is therefore given less weight. Based on this evidence the Board finds a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
