

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Darnos  
DOCKET NO.: 17-33896.001-R-1  
PARCEL NO.: 03-17-214-002-0000

The parties of record before the Property Tax Appeal Board are George Darnos, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C., in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,362  
**IMPR.:** \$25,626  
**TOTAL:** \$30,988

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 1,676 square feet of living area. The dwelling is approximately 45 years old. Features of the home include a partial basement with finished area, central air conditioning, a fireplace and a two-car attached garage. The property has a 9,750 square foot site and is located in Arlington Heights, Wheeling Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same neighborhood code as the subject property. The comparables were improved with similar class 2-34 dwellings of frame and masonry exterior construction that ranged in size from 1,535 to 1,768 square feet of living area. The dwellings are either 49 or 52 years old. The comparables have sites ranging in size from 8,784 to 10,000 square feet of land area. Each comparable has a partial basement with finished area, three comparables have central air conditioning, three comparables have one

fireplace and each comparable has a one and a half-car or two-car attached garage. The comparables sold from March 2016 to February 2017 for prices ranging from \$285,000 to \$330,000 or from \$169.68 to \$196.29 per square foot of living area, land included. Based on this evidence, the appellant requested that the subject's assessment be reduced to \$30,988.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,524. The subject's assessment reflects a market value of \$345,240 or \$205.99 per square foot of living area, including land, when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant submitted four comparable sales while the board of review submitted 4 equity comparables for the Board's consideration. The Board gave no weight to the board of review's four equity comparables as these properties do not address the appellant's overvaluation argument.

The Board finds the only evidence of market value contained in this record to be appellant's comparable sales. These comparables had verifying degrees of similarity when compared to the subject. These comparables sold from March 2016 to February 2017 for prices ranging from \$285,000 to \$330,000 or from \$169.68 to \$196.26 per square foot of living area, including land. The subject's assessment reflects a market value of \$345,240 or \$205.99 per square foot of living area, including land, which falls above the range established by the only comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is warranted commensurate to the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
