

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Monaxios
DOCKET NO.: 17-33939.001-R-1
PARCEL NO.: 03-24-407-018-0000

The parties of record before the Property Tax Appeal Board are Michael Monaxios, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,721
IMPR.: \$18,071
TOTAL: \$22,792

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,225 square feet of living area. The dwelling is approximately 53 years old. Features of the home include a partial basement with a finished area, central air conditioning and a two-car garage. The property has a 9,443 square foot site and is located in Mount Prospect, Wheeling Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same neighborhood code as the subject property. The comparables were improved with similar class 2-34 dwellings of frame and masonry exterior construction that ranged in size from 1,615 to 1,918 square feet of living area. The dwellings range in age from 46 to 48 years old. The comparables have sites ranging in size from 9,295 to 12,019 square feet of land area. Each comparable has a partial basement with a finished area, three comparables have central air conditioning, two comparables

have a fireplace and each comparable has a two-car garage. The comparables sold from May 2015 to June 2017 for prices ranging from \$237,000 to \$292,000 or from \$146.75 to \$173.31 per square foot of living area, land included. Based on this evidence, the appellant requested that the subject's assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,792. The subject's assessment reflects a market value of \$227,920 or \$186.10 per square foot of living area, including land, when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located in the same neighborhood code and are within 1/4-mile from the subject. The comparables were improved multi-level dwellings of frame and masonry exterior construction that range in size from 1,202 to 1,475 square feet of living area. The dwellings range in age from 48 to 53 years old. The comparables have sites that range from 7,976 to 10,565 square feet of land area. Each comparable has a partial basement with a finished area, central air conditioning, one comparable has a fireplace and each comparable has a two-car garage. The comparables sold from September 2015 to August 2016 for prices ranging from \$265,000 to \$350,000 or from \$202.03 to \$291.18 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparables #1 and #4 along with the board of reviews comparables #1 and #4 as these sales occurred from May to October 2015, which are dated and less likely to be indicative of fair market value as of the subject's January 1, 2017 assessment date. The Board gave less weight to the appellants comparables #2 and #3 based on the larger dwelling size when compared to the subject.

The Board finds the best evidence of market value are the board of review's comparables #2 and #3. These comparables have varying degrees of similarity when compared to the subject in design, age, dwelling size and features. These comparables sold for prices of \$265,000 and \$350,000 or \$212.00 and \$291.18 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$227,920 or \$186.10 per square foot of living area, including land, which falls below the range established by the best comparable sales in this record. After considering adjustments to the comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is

supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
