

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lori Levin  
DOCKET NO.: 17-34150.001-R-1  
PARCEL NO.: 15-30-207-023-0000

The parties of record before the Property Tax Appeal Board are Lori Levin, the appellant(s), by attorney Mary T. Nicolau, of Fox Rothschild LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 4,861  
**IMPR.:** \$ 32,439  
**TOTAL:** \$ 37,300

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

**Findings of Fact**

The subject consists of a two-story dwelling of frame and masonry construction with 2,235 square feet of living area. The dwelling is 21 years old. Features of the home include a full unfinished basement, central air conditioning, and a two-car garage. The property's site is 4,522 square feet, and it is located in Proviso Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner-occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four sale comparables. These comparables sold between May 2016 and July 2017 for \$330,000 to \$369,000, or \$161.53 to \$165.10 per square foot of living area, including land. The appellant also submitted evidence disclosing the subject

property was purchased on June 15, 2015 for a price of \$373,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$37,300.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$42,588. The subject's assessment reflects a market value of \$425,880, or \$190.55 per square foot of living area, including land, when applying the 2017 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables. These sale comparables sold from June 2014 to December 2017 for \$550,000 to \$820,000, or \$197.42 to \$296.03 per square foot of living area, including land. The board of review's evidence also states that the subject was purchased in June 2015 for \$373,000.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject in June 2015 for a price of \$373,000. The appellant provided evidence demonstrating that the sale had the elements of an arm's-length transaction, including disclosing that the parties to the transaction were not related and the property was advertised for sale on the open market with a listing on the MLS. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record the Board finds the subject property had a market value of \$373,000 as of January 1, 2017. Since market value has been established, the 2017 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
