

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jerline Lambert
DOCKET NO.: 17-34710.001-C-1
PARCEL NO.: 16-16-101-011-0000

The parties of record before the Property Tax Appeal Board are Jerline Lambert, the appellant(s), by attorney David R. Bass, of Field and Goldberg, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,347
IMPR.: \$9,976
TOTAL: \$14,323

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3,780 square foot parcel of land improved with a 103-year old, two-story, masonry, mixed-use building containing 3,325 square feet of building area. The property is located in Chicago, West Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the equity argument, the appellant submitted five comparables. These comparables are described as two or three-story, masonry, mixed-use buildings. They range in age from 62 to 107 years and in size from 3,223 to 6,353 square feet of building area. They sold from November 2016 to July 2017 for prices ranging from \$6.83 to \$19.74 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$14,323 which reflects a market value of \$143,230 or \$43.07 per square foot of building area using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted three comparables. These properties are described as one or two-story, masonry or frame, single-family or mixed-use buildings. They range in age from 99 to 127 years and in size from 882 and 3,453 square feet of building area. The two mixed-use buildings sold in March 2016 and September 2017 for prices of \$43.44 and \$80.07 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparable #1 and the board of review's comparables #1 and #3. These comparables sold for prices ranging from \$6.83 to \$43.44 per square foot of building area. The remaining comparables were given less weight due to differences design, size and use or size. In comparison the subject's improvement assessment of \$43.07 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
