

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pullos Demetrios  
DOCKET NO.: 17-34815.001-R-1  
PARCEL NO.: 17-06-112-005-0000

The parties of record before the Property Tax Appeal Board are Pullos Demetrios, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 14,400  
**IMPR.:** \$ 96,944  
**TOTAL:** \$ 111,344

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

**Findings of Fact**

The subject consists of two improvements. Improvement #1 is a three-story dwelling of masonry construction with 3,558 square feet of living area. Improvement #1 is 19 years old. Features of Improvement #1 include a full basement with a formal recreation room, central air conditioning, and three fireplaces. Improvement #2 is a two-story dwelling of masonry construction with 988 square feet of living area. Improvement #2 is 19 years old. Features of Improvement #2 include a full basement with a formal recreation room and central air conditioning. The property's site is 3,600 square feet, and it is located in West Chicago Township, Cook County. Improvement #1 and Improvement #2 are both classified as class 2-11 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner-occupied.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables for Improvement #1. The appellant did not submit any equity comparables for Improvement #2. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$71,386.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$111,344. Improvement #1 has an improvement assessment of \$57,795, or \$16.24 per square foot of living area. Improvement #2 has an improvement assessment of \$39,149, or \$39.62 per square foot of living area.

In support of its contention of the correct assessment for Improvement #1, the board of review submitted information on four equity comparables, and one sale comparable. In support of its contention of the correct assessment for Improvement #2, the board of review submitted information on four equity comparables, and two sale comparables.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proven by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof, and that a reduction in the subject's assessment is not warranted.

For Improvement #1, the Board finds the best evidence of assessment equity to be all of the board of review's equity comparables. These equity comparables had improvement assessments ranging from \$13.30 to \$59.31 per square foot of living area. Improvement #1's improvement assessment of \$16.24 per square foot of living area falls within the range established by the best comparables in this record. For Improvement #2, the Board finds the best evidence of assessment equity to be all of the board of review's equity comparables. These equity comparables had improvement assessments ranging from \$42.73 to \$45.19 per square foot of living area. Improvement #2's improvement assessment of \$39.62 per square foot of living area falls below the range established by the best comparables in this record. Based on this record, the Board finds the appellant has not proven, with clear and convincing evidence, that the subject is inequitably assessed, and that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
