

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lisa Guarino
DOCKET NO.: 17-35310.001-R-1
PARCEL NO.: 15-07-300-014-0000

The parties of record before the Property Tax Appeal Board are Lisa Guarino, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,312
IMPR.: \$11,808
TOTAL: \$14,120

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story, masonry dwelling. The dwelling is 76 years old. The property has a 5,440 square foot site, and is located in Lakeview Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The appellant also indicated on the grid sheet that the subject contains approximately 960 square feet of living area, with no supporting evidence. The suggested comparables ranged in improvement assessment per square foot of living area from \$9.40 to \$10.48.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$14,120. The subject property has an improvement assessment of

\$11,808. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. The grid sheet also reflected the square footage of living area of the subject property to be 1,440.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Initially the Board finds that the subject property contains 1,440 square feet of living area as the appellant failed to provide any evidence to indicate otherwise. Accordingly, the subject has an improvement assessment of \$8.20 per square foot of living area.

The Board finds the best evidence of assessment equity to be comparables #1 through #4 submitted by the board of review, as they are most similar to the subject in size, design, location, and amenities. These comparables had improvement assessments that ranged from \$9.25 to \$10.02 per square foot of living area. The subject's improvement assessment of \$8.20 per square foot of living area falls below the range established by the best comparables in this record. It should be noted that the subject's improvement assessment falls below the range of the appellant's comparables as well. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
