

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hector Avila
DOCKET NO.: 17-35592.001-R-1
PARCEL NO.: 15-10-104-065-0000

The parties of record before the Property Tax Appeal Board are Hector Avila, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,397
IMPR.: \$28,525
TOTAL: \$30,922

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two improvements. Improvement #1 is a 109 year old, two-story, multi-unit dwelling of frame and masonry construction with 2,576 square feet of living area. Features of the dwelling include a slab basement, three baths, six bedrooms. The record does not disclose whether the subject was owner-occupied during the lien year. Improvement #1 is classified as a Class 2-11 property under the Cook County Real Property Assessment Classification Ordinance. Improvement #2 is a 109 year old, one-story, single family dwelling of masonry construction with 880 square feet of living area. Features of the dwelling include a full unfinished basement, one bath, three bedrooms. The record does not disclose whether the subject was owner-occupied during the lien year. Improvement #2 is classified as a Class 2-02 property under the Cook County Real Property Assessment Classification Ordinance. The subject property has a 3,425 square foot site and is located in Melrose Park, Proviso Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six suggested sale comparables regarding improvement #1. The appellant requested a total assessment reduction to \$13,546.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$35,141. The subject's improvement #1 assessment of \$22,509 which reflects a market value of \$249,060 or \$96.68 per square foot of living area including land, when applying the 2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. The subject's improvement #2 assessment of \$10,235 reflects a market value of \$126,320 or \$144 per square foot of living area including land, when applying the 2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on eight suggested sale comparables for improvement #1 and the property record cards for both improvements confirming assessment values.

In rebuttal, the appellant distinguished the board of review's sale comparables based on location and age. The appellant reaffirmed the request for an assessment reduction regarding improvement #1.

Conclusion of Law

When overvaluation is claimed, the appellant has the burden of proving the value of the property by a preponderance of the evidence. Cook Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 339 Ill. App. 3d 529, 545 (1st Dist. 2002); National City Bank of Michigan/Illinois v. Prop. Tax Appeal Bd., 331 Ill. App. 3d 1038, 1042 (3d Dist. 2002) (citing Winnebago Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 313 Ill. App. 3d 179 (2d Dist. 2000)); 86 Ill. Admin. Code § 1910.63(e). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. Calumet Transfer, LLC v. Prop. Tax Appeal Bd., 401 Ill. App. 3d 652, 655 (1st Dist. 2010); 86 Ill. Admin. Code § 1910.65(c). Having considered the evidence presented, the Board finds that the evidence indicates a reduction is warranted.

The Board finds the best evidence of market value regarding improvement #1 to be the appellant's comparables #1, #4, #5 and #6. These comparables are similar in location, amenities, stories, size, and age. These comparables sold for prices ranging from \$38.48 to \$71.40 per square foot of living area, including land. The subject's improvement #1 assessment reflects a market value of \$96.68 per square foot of living area including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
