

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bernadette Ray Nest Investments
DOCKET NO.: 17-35690.001-R-1
PARCEL NO.: 15-10-301-013-0000

The parties of record before the Property Tax Appeal Board are Bernadette Ray Nest Investments, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,547
IMPR.: \$5,103
TOTAL: \$6,650

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 93 year old, one-story, single-family dwelling of masonry construction with 972 square feet of living area. Features of the dwelling include a full unfinished basement, one bath, and a two-car garage. The property has a 3,641 square foot site and is located in Bellwood, Proviso Township, Cook County. The record does not disclose whether the subject was owner-occupied during the lien year. The subject is classified as a Class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold in September 2016 for \$66,500. This evidence included copies of the settlement statement. Section IV Recent Sale Data of the appeal form confirmed: the sale date; price; the transfer was not between family or related corporations;

the subject was listed on the MLS with a realtor; and the seller's mortgage was not assumed. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$6,650.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,458. The subject's assessment reflects a market value of \$84,580 or \$87.02 per square foot of living area including land, when applying the 2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested sale comparables.

In rebuttal, the appellant stated that the board of review's evidence is neither responsive nor relevant to the basis of appeal appellant. The board of review did not submit any evidence that the recent sale was not valid. The appellant distinguished the appellant's sale comparables based on age, location, size, and amenities. In support, the appellant submitted an unrelated 2015 Board decision and sections of the Illinois Administrative Code. Lastly, the appellant reaffirmed that the subject's sale was an arm's length transaction and requested a reduction in the subject's assessment.

Conclusion of Law

When overvaluation is claimed, the appellant has the burden of proving the value of the property by a preponderance of the evidence. Cook Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 339 Ill. App. 3d 529, 545 (1st Dist. 2002); National City Bank of Michigan/Illinois v. Prop. Tax Appeal Bd., 331 Ill. App. 3d 1038, 1042 (3d Dist. 2002) (citing Winnebago Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 313 Ill. App. 3d 179 (2d Dist. 2000)); 86 Ill. Admin. Code § 1910.63(e). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. Calumet Transfer, LLC v. Prop. Tax Appeal Bd., 401 Ill. App. 3d 652, 655 (1st Dist. 2010); 86 Ill. Admin. Code § 1910.65(c). Having considered the evidence presented, the Board finds that the evidence indicates a reduction is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in September 2016 for \$66,500. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction including disclosing that the parties to the transaction were not related, that the property was sold using a realtor, and that it was advertised for sale on the open market. In further support of the transaction, the appellant submitted copies of the settlement statement. Based on this record, the Board finds the subject property had a market value of \$66,500 as of January 1, 2017. Since market value has been determined, the level of assessments for class 2, residential property of 10% shall apply as determined by the Cook County Classification Ordinance.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
