

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charles Suhajda  
DOCKET NO.: 17-36175.001-R-1  
PARCEL NO.: 15-27-303-015-0000

The parties of record before the Property Tax Appeal Board are Charles Suhajda, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,630  
**IMPR.:** \$39,310  
**TOTAL:** \$42,940

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,833 square feet of living area. The dwelling is approximately 61 years old. Features of the home include a full basement with finished area, central air conditioning and a 2-car garage. The property has a 6,600 square foot site and is located in La Grange Park, Proviso Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-78 dwellings of masonry or frame and masonry exterior construction that range in size from 2,259 to 3,514 square feet of living area. The homes range

in age from 47 to 61 years old. Each comparable has a full or partial basement, one with finished area and from a 1-car to a 2.5-car garage. Two comparables have central air conditioning and one fireplace. The comparables have improvement assessments ranging from \$25,081 to \$41,171 or from \$11.10 to \$12.86 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$33,684 or \$11.89 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$42,940. The subject property has an improvement assessment of \$39,310 or \$13.88 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with two-story class 2-78 dwellings of frame and masonry exterior construction that range in size from 2,135 to 2,608 square feet of living area. The homes are either 60 or 61 years old. Each comparable has a full basement, two with finished area and a 2-car garage. Three comparables have central air conditioning and one comparable has a fireplace. The comparables have improvement assessments that range from \$32,905 to \$37,870 or from \$14.52 to \$15.41 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #1 and #2 along with board of review comparables #2, #3 and #4 which have dissimilar dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the remaining two comparables which are most similar to the subject in location, age, design and dwelling size except one has a partial finished basement and one has an unfinished full basement in contrast to the subject's full finished basement. These comparables had improvement assessments of \$32,843 and \$37,870 or for \$12.86 and \$14.52 per square foot of living area, respectively. The subject's improvement assessment of \$39,310 or \$13.88 per square foot of living area falls above the two best comparables on an overall basis and is bracketed by the two best comparables on a per square foot basis. Given the subject's larger dwelling size and full finished basement an improvement assessment above the two best comparables appears justified. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
