

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mustak Vohra
DOCKET NO.: 17-36271.001-R-1
PARCEL NO.: 04-27-103-050-1149

The parties of record before the Property Tax Appeal Board are Mustak Vohra, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,844
IMPR.: \$66,338
TOTAL: \$70,182

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium unit within an 11-year old, three-story, 154-unit condominium building. The property is located in Glenview, Northfield Township, Cook County and is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted copies of the settlement statement and the deed which disclosed the purchase of the subject on July 19, 2017 for \$762,500. The appellant then applies a median level of assessment from a document that lists 2015 ratios.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$70,128. The subject's assessment reflects a market value of \$701,280 when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted data on 34 sales that occurred within the subject's building from 2014 through 2017. The data includes the sale of the subject in 2017 for \$762,500.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in July 2017 for a price of \$762,500. The appellant submitted evidence of the sale of the subject, that it was listed on the open market, and that real estate brokers were involved with the sale. The board of review did not challenge the sale or the arm's-length nature of the transaction. Moreover, they included this sale in their evidence. Based on this record the Board finds the subject property had a market value of \$760,500 as of the lien date. The Board further finds the appellant submitted incorrect and unsupported assessment ratio evidence and gives this evidence no weight. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
