

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jennifer Abernathy
DOCKET NO.: 17-36424.001-R-1
PARCEL NO.: 13-03-321-015-0000

The parties of record before the Property Tax Appeal Board are Jennifer Abernathy, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,494
IMPR.: \$32,018
TOTAL: \$36,512

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry exterior construction with 1,526 square feet of living area. The dwelling is approximately 75 years old. Features of the home include a full unfinished basement, and a 1-car garage. The property has a 3,210 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject dwelling is classified as a Class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with similar class 2-05 dwellings of masonry exterior construction ranging in size from 1,613 to 1,984 square feet of living area. The dwellings range in age from

71 to 76 years old, and each has a full basement with one having finished area. Three comparables each have central air conditioning and one fireplace. Two comparables have either a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$26,991 to \$34,332 or from \$16.73 to \$17.35 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$25,896 or \$16.97 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$36,512. The subject property has an improvement assessment of \$32,018 or \$20.98 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with similar class 2-05 dwellings of masonry exterior construction ranging in size from 1,265 to 1,344 square feet of living area. The dwellings range in age from 75 to 77 years old and each has a full basement with one having finished area. Two comparables each have central air conditioning and one or two fireplaces. Three comparables have either a 1-car, a 1.5-car, or a 2-car garage. The comparables have improvement assessments ranging from \$28,232 to \$30,721 or from \$21.75 to \$23.13 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #4 along with the board of review comparable #1 due to their larger dwelling sizes and/or dissimilar finished basements when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables. These comparables are similar to the subject in location, design, exterior construction, age, dwelling size, foundation, and some features. Two comparables lack garages, unlike the subject, suggesting upward adjustments may be necessary to make them more equivalent to the subject. These five comparables have improvement assessments ranging from \$26,991 to \$30,721 or from \$16.73 to \$23.13 per square foot of living area. The subject's improvement assessment of \$32,018 or \$20.98 per square foot of living area falls above the range established by these comparables on an overall basis and within the range on a per-square-foot basis. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the

subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
