

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

4APPELLANT: John Graybill
DOCKET NO.: 17-37205.001-R-1
PARCEL NO.: 25-12-423-030-0000

The parties of record before the Property Tax Appeal Board are John Graybill, the appellant(s), by attorney John W. Zapala, of the Law Offices of John Zapala, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,562
IMPR.: \$2,338
TOTAL: \$3,900

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 53-year-old, one-story, building of masonry construction containing 1,060 square feet of gross building area. Features of the subject include a full finished basement, central air conditioning and a two-car garage. The property is situated on 3,125 square feet of land in Chicago, Hyde Park Township, Cook County. It is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity and overvaluation as the bases of the appeal. In support of the assessment inequity argument, the appellant submitted information on five suggested equity comparable properties. In support of the overvaluation argument, the appellant

submitted information on five suggested comparable sales and a grid entitled "Comparable Sales Analysis Detail" disclosing adjustments to the property values of those comparable properties.

The subject's total assessment was \$8,834. The subject property has an improvement assessment of \$7,272, or \$6.86 per square foot of living area. The subject's assessment reflects a market value of \$88,340, or \$83.34 per square foot of living area including land, when applying the 2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review did not submit evidence in support of the assessment. The Board entered an Order of Default against the board of review. On September 10, 2019, the Board denied the board of review's Motion to Vacate Default.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the appellant failed to establish the admissibility of and to lay a foundation for the adjustments in the Comparable Sales Analysis Detail grid. Therefore, the Board gives them no weight. However, the Board may consider the raw, unadjusted sale data.

The Board finds the best evidence of market value to be the appellant's comparable sale(s) #1, #2 and #4. These comparables sold for prices ranging from \$26.47 to \$37.38 per square foot of living area, including land. The subject's assessment reflects a market value of \$83.34 per square foot of living area including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment based on overvaluation is justified. As a result, the Board finds the subject property is equitably assessed, thereby obviating the need to rule on the appellant's assessment inequity argument.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
