

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nicole Quattrocki
DOCKET NO.: 17-38183.001-R-1
PARCEL NO.: 24-14-307-009-0000

The parties of record before the Property Tax Appeal Board are Nicole Quattrocki, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,111
IMPR.: \$16,321
TOTAL: \$19,432

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry construction that is 62 years old. The dwelling contains 985 square feet of living area and is situated on a 3,660 square foot site. The property is located in Lake Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of appeal. In support of this argument, the appellant submitted evidence listing the Seller as Kevin Paruszkiewicz, and the Purchaser as the appellant. The appellant's evidence indicates the subject property sold on September 26, 2016 for \$187,000, or \$189.85 per square foot, including land. The parties were unrelated, real estate brokers were involved in the transaction, and the property was advertised for sale as it was listed on the MLS. The appellant also submitted four purported sale comparables, however, no sale or equity data was reflected on the grid sheet. Based on this evidence, the appellant requested an assessment reduction to \$19,432.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$20,478. The subject's assessment reflects a market value of \$204,780, or \$207.90 per square foot, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four sale comparables, each of which reflected equity data. Based on this evidence, the board requested confirmation of the subject's assessment.

In written rebuttal, the appellant submitted part of a home inspection report. She indicated that the subject property does not have a basement, as do the board of review's comparables. She also indicated her lot size is smaller than the comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the sale of the subject in September 2016. The appellant submitted evidence indicating the property was advertised for sale on the MLS through real estate brokers. Additionally, there was no evidence from either party that indicated the sale was a short sale or a foreclosure. As the appellant has proven by a preponderance of the evidence that the subject's current market value is overstated, an assessment reduction to the appellant's request is granted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
