

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Scime
DOCKET NO.: 17-38965.001-R-1
PARCEL NO.: 20-06-413-039-0000

The parties of record before the Property Tax Appeal Board are John Scime, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,686
IMPR.: \$12,314
TOTAL: \$15,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2,985 square foot parcel of land improved with a 101-year old, three-story, masonry, single-family dwelling containing 5,100 square feet of building area. The property is located in Chicago, Lake Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted copies of the sales contract, the settlement statement, and the deed which disclosed the purchase of the subject on April 31, 2017 for \$150,000. The appellant also submitted a 2014 sale ratio document.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$16,813 which reflects a market value of \$168,130 using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four comparables. These properties are described as two-story, masonry or frame or frame and masonry, single-family dwellings. They range in age from 92 to 112 years and in size from 1,440 to 1,932 square feet of building area. They sold from November 2017 to December 2017 for prices ranging from \$48.61 to \$87.19 per square foot of building area. The board of review also listed the sale of the subject in April 2017 for \$150,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in April 2017 for a price of \$150,000. The appellant submitted evidence of the sale of the subject. The board of review did not challenge the sale or the arm's-length nature of the transaction and, in fact, included a sale for the subject in April 2017. Based on this record the Board finds the subject property had a market value of \$150,000 as of the lien date. The Board finds the appellant submitted an incorrect and unsupported sales ratio document and gives this no weight. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
