

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Antonios & Evridiki Topalidis
DOCKET NO.: 17-39048.001-R-1
PARCEL NO.: 27-03-101-008-0000

The parties of record before the Property Tax Appeal Board are Antonios & Evridiki Topalidis, the appellants, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,919
IMPR.: \$24,856
TOTAL: \$35,775

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,664 square feet of living area. The dwelling is approximately 43 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 25,694 square foot site and is located in Orland Park, Orland Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same neighborhood code as the subject property. The comparables were improved with similar class 2-78 dwellings of frame and masonry exterior construction that range in size from 2,377 to 3,029 square feet of living area. The dwellings range in age from 30 to 40 years old. The comparables have sites that range in size from 10,000 to 12,500 square feet of land area. Three comparables have either a full or partial unfinished basement and one comparable has a crawl-space foundation. Each

comparable has central air conditioning, a fireplace and a two-car or three-car garage. The comparables sold from January 2016 to April 2017 for prices ranging from \$300,000 to \$385,000 or from \$112.25 to \$131.62 per square foot of living area, land included. Based on this evidence, the appellant requested that the subject's assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$35,775. The subject's assessment reflects a market value of \$357,750 or \$134.29 per square foot of living area, including land, when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same neighborhood code as the subject property. The comparables were improved with two-story dwellings of masonry or frame and masonry exterior construction that range in size from 2,008 to 2,842 square feet of living area. The dwellings range in age from 30 to 46 years old. The comparables have sites that range in size from 10,000 to 12,000 square feet of land area. Each comparable has a full or partial basement with two comparables having a formal recreational room, three comparables have central air conditioning, three comparables have a fireplace and each comparable has a two-car garage. The comparables sold from July to December 2017 for prices ranging from \$325,000 to \$393,000 or from \$138.28 to \$161.85 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gave less weight to the appellants comparable #2 based on its lack of a basement along with the board of reviews comparables #1 and #4 as these comparables have basements with formal recreational room when compared to the subjects full unfinished basement.

The Board finds the best evidence of market value are the appellant's comparables #1, #2 and #4 along with the board of reviews comparables #2 and #3. These comparables have varying degrees of similarity when compared to the subject in age, dwelling size and features. These comparables sold for prices ranging from \$300,000 to \$393,000 or from \$125.08 to \$161.85 per square foot of living area, including land. The subject's assessment reflects a market value of \$357,750 or \$134.29 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
