

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ewa & Wieslaw Kotuslki
DOCKET NO.: 17-39110.001-R-1
PARCEL NO.: 27-30-313-001-0000

The parties of record before the Property Tax Appeal Board are Ewa & Wieslaw Kotuslki, the appellants, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,754
IMPR.: \$27,683
TOTAL: \$33,437

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of frame and masonry exterior construction with 3,219 square feet of living area. The dwelling is approximately 25 years old. Features of the home include a partial unfinished basement, central air conditioning, one fireplace and an attached three-car garage. The property has a 10,960 square foot site and is located in Orland Park, Orland Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity as the basis of the appeal concerning the improvement assessment. In support of this argument, the appellants submitted information on six equity comparables located within the same neighborhood code as the subject and within .33 of a mile from the subject. The comparables consist of two-story dwellings of frame and masonry exterior construction. The dwellings were either 23 or 25 years old and each dwelling

contains 3,219 square feet of living area with a full or partial unfinished basement. Three of the comparables each have central air conditioning. Each dwelling has a fireplace and either a two-car or a three-car garage. The comparables have improvement assessments ranging from \$23,903 to \$25,649 or from \$7.43 to \$7.97 per square foot of living area.

Based on this evidence, the appellants requested a reduced improvement assessment of \$24,997 or \$7.77 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,437. The subject property has an improvement assessment of \$27,683 or \$8.60 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject and within ¼ of a mile from the subject. The comparables consist of two-story dwellings of frame and masonry exterior construction. The dwellings range in age from 28 to 30 years old and each dwelling contains either 3,163 or 3,219 square feet of living area. Each dwelling has a partial basement, one of which has a formal recreation room. Each comparable has central air conditioning, a fireplace and either a two-car or a three-car garage. The comparables have improvement assessments ranging from \$27,392 to \$31,912 or from \$8.65 to \$9.91 per square foot of living area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to board of review comparable #2 which differs from the subject in both size and finished basement area.

The Board finds the best evidence of assessment equity to be the appellants' comparables and board of review comparables #1, #3 and #4. These nine comparables are each similar to the subject in location, age, size, foundation and most features. The comparables had improvement assessments that ranged from \$23,903 to \$31,912 or from \$7.43 to \$9.91 per square foot of living area. The subject's improvement assessment of \$27,683 or \$8.60 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence

that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
