

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Roiniotis
DOCKET NO.: 17-39114.001-R-1
PARCEL NO.: 27-25-110-021-0000

The parties of record before the Property Tax Appeal Board are William Roiniotis, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,666
IMPR.: \$24,909
TOTAL: \$29,575

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one-story dwelling of frame and masonry exterior construction with 2,129 square feet of living area. The dwelling is approximately 20 years old. Features of the home include a partial basement with a formal recreation room, central air conditioning, one fireplace and a two-car garage. The property has a 9,825 square foot site and is located in Tinley Park, Orland Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal concerning the improvement assessment. In support of this argument, the appellant submitted information on six equity comparables located within the same neighborhood code as the subject and within .51 of a mile from the subject. The comparables consist of class 2-04 one-story dwellings of frame and masonry exterior construction. The dwellings range in age from 22 to 28 years old and each

dwelling contains 2,129 square feet of living area. Four comparables have partial unfinished basements and two comparables have crawl-space foundations. Each comparable has central air conditioning, a fireplace and a two-car garage. The comparables have improvement assessments ranging from \$22,348 to \$23,504 or from \$10.50 to \$11.04 per square foot of living area.

Based on this evidence, the appellant requested a reduced improvement assessment of \$22,939 or \$10.77 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,575. The subject property has an improvement assessment of \$24,909 or \$11.70 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject and either on the "same block" or within ¼ of a mile from the subject. The comparables consist of class 2-04 one-story dwellings of frame and masonry exterior construction. The dwellings range in age from 20 to 24 years old and each dwelling contains 2,129 square feet of living area with a partial basement, one of which has a formal recreation room. Each comparable has central air conditioning, a fireplace and a two-car garage. The comparables have improvement assessments ranging from \$25,592 to \$28,099 or from \$12.02 to \$13.20 per square foot of living area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity concerning the improvement assessment as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #4 and #6 which differ from the subject in foundation.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, #3 and #5 along with the board of review comparables. These eight comparables are each similar to the subject in location, age, size, foundation and several features although seven of the comparables each feature an inferior unfinished basement as compared to the subject's formal recreation room which suggests an upward adjustment to the comparables. These best comparables had improvement assessments that ranged from \$22,397 to \$28,099 or from \$10.52 to \$13.20 per square foot of living area. The subject's improvement assessment of \$24,909 or \$11.70 per square foot of living area falls within the range established by the best comparables in

this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
