

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chris Roth  
DOCKET NO.: 17-39243.001-R-1  
PARCEL NO.: 30-17-308-005-0000

The parties of record before the Property Tax Appeal Board are Chris Roth, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,600  
**IMPR.:** \$2,400  
**TOTAL:** \$4,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a 91 year-old, two-story dwelling of frame construction. The parties differed as to the square footage of living area. Features of the subject include a full unfinished basement, central air conditioning, one fireplace and a two-car garage. The property has a 4,925 square foot site in Calumet City, Thornton Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$40,000 as of January 1, 2017. The appraisal disclosed the subject dwelling was owner-occupied during the lien year. The appraisal included a sketch of the dwelling's dimensions that disclosed the dwelling contained 1,535 square feet of living area. The appellant also submitted what he stated

were close to 100 suggested comparable sale properties. The appellant requested a total assessment reduction to \$40,000 when applying the 2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$10,298. The subject's assessment reflects a market value of \$102,980 when applying the 2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four unadjusted suggested comparable sales. The board of review's Grid Analysis disclosed the subject contained 1,812 square feet of living area.

### **Conclusion of Law**

The Board finds, for this appeal, that the subject contained 1,535 square feet of living area, in accord with the appraiser's sketch of the dwelling's dimensions.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$40,000 as of the assessment date at issue. As a result, the Board need not address the appellant's alternative overvaluation argument based on close to 100 suggested comparable sale properties. Since market value has been established, the 2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
