

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Uribe
DOCKET NO.: 17-39500.001-R-1
PARCEL NO.: 17-31-419-003-0000

The parties of record before the Property Tax Appeal Board are Joseph Uribe, the appellant(s), by attorney Jeffrey G. Hertz, of Sarnoff & Baccash in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,100
IMPR.: \$ 28,191
TOTAL: \$ 33,291

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2017. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject consists of two improvements. Improvement #1 is a two-story dwelling of masonry construction with 1,824 square feet of living area. Improvement #1 is 112 years old. Features of Improvement #1 include a full unfinished basement. Improvement #2 is a one-story dwelling of masonry construction with 818 square feet of living area. Improvement #2 is 128 years old. Features of Improvement #2 include a full unfinished basement. The property's site is 3,000 square feet, and it is located in South Chicago Township, Cook County. Improvement #1 and Improvement #2 are both classified as class 2-11 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner-occupied.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables for Improvement #1.

The appellant did not submit any equity comparables for Improvement #2. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$15,788.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$33,291. Improvement #1 has an improvement assessment of \$18,508, or \$10.15 per square foot of living area. Improvement #2 has an improvement assessment of \$9,683, or \$11.84 per square foot of living area.

In support of its contention of the correct assessment for Improvement #1, the board of review submitted information on four equity comparables. In support of its contention of the correct assessment for Improvement #2, the board of review submitted information on four equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proven by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof, and that a reduction in the subject's assessment is not warranted.

For Improvement #1, the Board finds the best evidence of assessment equity to be board of review equity comparables #2, #3, and #4. These equity comparables all had an improvement assessment of \$10.50 per square foot of living area. Improvement #1's improvement assessment of \$10.15 per square foot of living area falls below the range established by the best comparables in this record. For Improvement #2, the Board finds the best evidence of assessment equity to be appellant's equity comparables #1, #2, and #3. These equity comparables had improvement assessments ranging from \$12.76 to \$15.54 per square foot of living area. Improvement #2's improvement assessment of \$11.84 per square foot of living area falls below the range established by the best comparables in this record. Based on this record, the Board finds the appellant has not proven, with clear and convincing evidence, that the subject is inequitably assessed, and that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
