

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Lynch  
DOCKET NO.: 17-39540.001-R-1  
PARCEL NO.: 24-13-216-001-0000

The parties of record before the Property Tax Appeal Board are William Lynch, the appellant, by attorney Ellen G. Berkshire of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,214  
**IMPR.:** \$34,533  
**TOTAL:** \$38,747

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry exterior construction with 2,846 square feet of living area. The dwelling is approximately 8 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a detached two-car garage. The property has a 4,958 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same neighborhood code as the subject property. The comparables are improved with similar class 2-78 two-story dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 2,468 to 2,972 square feet of living

area. The dwellings range in age from 7 to 60 years old. Each comparable has a full unfinished basement, central air conditioning and either a 2-car or a 2.5-car garage. One comparable has a fireplace. The comparables have improvement assessments that range from \$25,524 to \$30,136 or from \$10.14 to \$10.70 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$29,570 or \$10.39 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$38,747. The subject property has an improvement assessment of \$34,533 or \$12.13 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject property. The comparables are improved with similar class 2-78 two-story dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 2,354 to 2,795 square feet of living area. The dwellings range in age from 1 to 10 years old. Each comparable has a full or partial basement with one finished as a formal recreation room, central air conditioning and a two-car garage. One comparable has a fireplace. The comparables have improvement assessments that range from \$30,270 to \$34,881 or from \$12.48 to \$13.10 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties provided eight suggested equity comparables to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to appellant's comparables #2, #3 and #4, as well as board of review comparables #2 and #4 due to their dissimilar ages when compared to the subject. The Board finds the best evidence of assessment equity to be appellant's comparable #1 and board of review comparables #1 and #3. These comparables are relatively similar to the subject in dwelling size, design, age and most features. The comparables have improvement assessments that range from \$30,136 to \$34,881 or from \$10.14 to \$13.10 per square foot of living area. The subject's improvement assessment of \$34,533 or \$12.13 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
