

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Josh Barron  
DOCKET NO.: 17-39568.001-R-1  
PARCEL NO.: 25-07-319-008-0000

The parties of record before the Property Tax Appeal Board are Josh Barron, the appellant, by attorney Ellen G. Berkshire of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$11,002  
**IMPR.:** \$34,720  
**TOTAL:** \$45,722

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry exterior construction with 2,800 square feet of living area. The dwelling is approximately 93 years old. Features of the home include a full unfinished basement, central air conditioning, two fireplaces and a two-car garage. The property has a 12,225 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same neighborhood code as the subject and from .2 of a mile to 1.6 miles from the subject property. The comparables are improved with similar class 2-06 two-story dwellings of masonry exterior construction ranging in size from 2,568 to 2,983 square feet

of living area. The dwellings range in age from 76 to 94 years old. Each comparable has a full basement with three finished as formal recreation rooms, one or two fireplaces and a either a one-car or a two-car garage. Two comparables have central air conditioning. The comparables have improvement assessments that range from \$25,719 to \$27,572 or from \$9.24 to \$10.52 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$28,000 or \$10.00 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$45,722. The subject property has an improvement assessment of \$34,720 or \$12.40 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code and block as the subject property. The comparables are improved with similar class 2-06 two-story dwellings of masonry exterior construction ranging in size from 2,215 to 3,084 square feet of living area. The dwellings range in age from 78 to 97 years old. Each comparable has a full basement with one finished as a formal recreation room, one or two fireplaces and a two-car garage. Two comparables have central air conditioning. The comparables have improvement assessments that range from \$29,659 to \$43,997 or from \$13.19 to \$14.99 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties provided eight suggested equity comparables to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to appellant's comparables #1, #3 and #4, as well as board of review comparables #2 and #4 due to their dissimilar dwelling sizes, finished basements, lack of air conditioning and/or locations being more than one mile from the subject property. The Board finds the best evidence of assessment equity to be appellant's comparable #2 and board of review comparables #1 and #3. These comparables are relatively similar to the subject in location, dwelling size, design, age and features. The comparables have improvement assessments that range from \$25,719 to \$40,678 or from \$9.81 to \$13.52 per square foot of living area. The subject's improvement assessment of \$34,720 or \$12.40 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
