

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: National Home Rentals  
DOCKET NO.: 17-39602.001-R-1  
PARCEL NO.: 20-36-101-026-0000

The parties of record before the Property Tax Appeal Board are National Home Rentals, the appellant, by attorney Peter D. Verros, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,000  
**IMPR.:** \$9,816  
**TOTAL:** \$12,816

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of masonry exterior construction with 1,433 square feet of living area. The dwelling is approximately 90 years old and features an unfinished basement. The property has a 3,750 square foot site and is located in Chicago, Hyde Park Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood and from 0.20 to 1.2 miles from the subject property. The comparables are improved with class 2-03 dwellings of masonry or frame and masonry exterior construction that range in size from 1,372 to 1,696 square feet of living area. The homes range in age from 92 to 100 years old. Each comparable has an unfinished

basement and a 1-car to a 3.5-car garage. Comparable #3 has central air conditioning and a fireplace. The comparables have improvement assessment ranging from \$5,878 to \$8,305 or from \$4.28 to \$5.09 per square foot of living area. Based on this evidence, the appellant requested the subject's assessment be reduced to \$7,210 or \$5.03 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,816. The subject property has an improvement assessment of \$9,816 or \$6.85 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood and on the same block as the subject property. The comparables are improved with one-story class 2-03 dwellings of masonry exterior construction that range in size from 1,076 to 1,502 square feet of living area. The homes range in age from 88 to 99 years old. Each comparable has a basement, two with finished area, and from a 1-car to a 2-car garage. Three comparables each have one fireplace. The comparables have improvement assessments ranging from \$11,145 to \$12,319 or from \$7.42 to \$10.37 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #1 and #3 due to their more distant location relative to other comparables in the record. Appellant comparable #3 also differs from the subject in dwelling size, central air conditioning and a 3.5-car garage when compared to the subject's dwelling size, lack of air conditioning and no garage. The Board also gave less weight to board of review comparables #1 and #4 as these properties have finished basements while the subject has an unfinished basement.

The Board finds the best evidence of assessment equity to be the remaining comparables which are relatively similar to the subject in location, age, design and dwelling size, but differ from the subject in having a garage which the subject property lacks. These comparables had improvement assessments that ranged from \$7,140 to \$11,485 or from \$4.82 to \$8.03 per square foot of living area. Board of review comparable #3 is most similar to the subject and has an improvement assessment of \$11,145 or \$7.42 per square foot of living area. The subject's improvement assessment of \$9,816 or \$6.85 per square foot of living area falls within the range established by the best comparables in this record. After taking into consideration adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
