

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Contos
DOCKET NO.: 17-40128.001-R-1
PARCEL NO.: 04-11-221-041-0000

The parties of record before the Property Tax Appeal Board are Peter Contos, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,145
IMPR.: \$37,048
TOTAL: \$44,193

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,389 square feet of living area. The dwelling is approximately 63 years old. Features of the home include an unfinished full basement, central air conditioning and a two-car garage. The property has a 7,725 square foot site and is located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located within the same neighborhood code as the subject property. The comparables are improved with class 2-06 dwellings of frame and masonry exterior construction ranging in size from 2,552 to 3,326 square feet of living area. The dwelling range in age from 63

to 67 years old. The comparables each have an unfinished full or partial basement, central air conditioning and either a two-car or a three-car garage. Two of the comparables each have one fireplace. The comparables have improvement assessments that range from \$35,562 to \$43,208 or from \$12.99 to \$13.93 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$32,180 or \$13.47 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$44,193. The subject property has an improvement assessment of \$37,048 or \$15.51 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject property. The comparables are improved with two-story class 2-06 dwellings of frame and masonry exterior construction ranging in size from 2,375 to 2,580 square feet of living area. The dwellings range in age from 63 to 68 years old. The comparables each have a full or partial basement with two finished as formal recreation rooms. Each comparable has central air conditioning and either a 1-car, a 2-car or a 2.5-car garage. Two of the comparables each have one fireplace. The comparables have improvement assessments that range from \$38,000 to \$44,541 or from \$16.00 to \$17.75 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties provided seven suggested equity comparables to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to appellant's comparables #1 and #3 due to their considerably larger dwelling sizes when compared to the subject dwelling. The Board gives reduced weight to board of review comparables #3 and #4 as each has a finished basement in contrast to the subject's unfinished basement. The Board finds the best evidence of assessment equity to be appellant's comparable #3, along with board of review comparables #1 and #2. These comparables are similar to the subject in dwelling size, design, age and features. The comparables have improvement assessments that range from \$35,562 to \$44,541 or from \$13.93 to \$17.75 per square foot of living area. The subject's improvement assessment of \$37,048 or \$15.51 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
