

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Broeck
DOCKET NO.: 17-40542.001-R-1
PARCEL NO.: 13-36-327-017-0000

The parties of record before the Property Tax Appeal Board are James Broeck, the appellant(s), by attorney Ciarra Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,093
IMPR.: \$29,848
TOTAL: \$50,941

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 9,375 square foot parcel of land improved with two 124-year old, two-story, masonry, single-family dwellings. Improvement #1 contains 2,800 square feet of building area while improvement #2 contains 1,100 square feet of building area. The property is located in Chicago, West Township, Cook County and is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant asserts a contention of law and an inequity argument as the bases of the appeal. The subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 15-31100.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$50,941 based on equity comparables. The tax years 2015 and 2017 are within the same general assessment period. The appellant's brief requested a reduction to the 2015 reduced assessment.

The appellant also submitted five equity comparables for improvement #1 and three equity comparables for improvement #2.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment of \$52,928 with a total improvement assessment of \$31,835. The board of review listed the improvement assessment on only improvement #1 and did not address improvement #2.

In support of the current assessment, the board of review submitted four comparables for improvement #1. These properties have improvement assessment from \$8.60 to \$11.21 per square foot of building area.

Conclusion of Law

The appellant raised a contention of law argument as established by the Property Tax Appeal Board section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2015 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2015 tax year. The Board further finds that there is no evidence to show that the subject property is not an owner-occupied dwelling. The Board further finds that 2015 and 2017 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
