

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Albert Thomas  
DOCKET NO.: 17-40810.001-R-1  
PARCEL NO.: 32-36-304-022-0000

The parties of record before the Property Tax Appeal Board are Albert Thomas, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 3,480  
**IMPR.:** \$12,420  
**TOTAL:** \$15,900

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, single-family dwelling of frame construction. The dwelling is approximately 16 years old. It has a 10,710 square foot site and is located in Bloom Township, Cook County. It is classified as Class 2-78 property under the Cook County Real Property Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$159,000 as of April 14, 2017. The appraisal indicates that the subject property is vacant and was under contract as an REO sale. An extensive repair list was attached as an addendum. The appellant also indicated on the petition that the subject transferred for \$167,500 in May 2017.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,657. The subject's assessment reflects a market value of

\$266,570 when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, all of which reflected sale data. The board of review's grid sheet also indicated the subject transferred in June 2017 for \$159,000.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant as its valuation date is more proximate than the sale date to the January 1, 2017 valuation date. This market value is corroborated by the subject's sale price listed on the board of review's grid sheet. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$159,000 as of the assessment date at issue. Since the market value of this parcel has been established, the assessment level of 10% as established by the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
