

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Raymond Flakus
DOCKET NO.: 17-41202.001-R-1
PARCEL NO.: 06-31-208-016-0000

The parties of record before the Property Tax Appeal Board are Raymond Flakus, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,650
IMPR.: \$35,522
TOTAL: \$38,172

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 10,601 square foot parcel of land improved with a 12-year old, two-story, frame, single-family dwelling containing 3,759 square foot of building area. The property is located in Bartlett, Hanover Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted a copy of the closing disclosure which disclosed the purchase of the subject on March 24, 2014 for \$330,000. In addition, the appellant submitted a 2016 assessment ratio grid.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$38,172 which reflects a market value of \$381,720 or \$101.55 per square foot of building area using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four equity and three sales comparables. The market value properties are described as two-story, frame, single-family dwellings. They are 12-years old and contain from 3,050 to 3,517 square feet of building area. They sold from April to September 2016 for prices ranging from \$105.20 to \$126.82 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the sale of the subject too far removed from the lien date to accurately reflect the market value as of January 1, 2017. The Board finds the best evidence of market value to be the board of review's comparables. These comparables had sales prices ranging from \$105.20 to \$126.82 per square foot of building area. In comparison the subject's assessment reflects a market value of \$101.55 per square foot of building area is below the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
