

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Seed Rentals XIV LLC  
DOCKET NO.: 17-41213.001-R-1 through 17-41213.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Seed Rentals XIV LLC, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
17-41213.001-R-1	32-21-102-023-0000	930	4,091	\$5,021
17-41213.002-R-1	32-21-102-024-0000	1,029	16,365	\$17,394

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of two parcels of land improved with a 10-year old, two-story, frame and masonry, multi-family dwelling containing 4,337 square feet of building area. The property is located in Chicago Heights, Bloom Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of the equity argument, the appellant submitted five comparables. The comparables are described as two-story, frame or masonry, multi-family dwellings. They range: in age from 94 to 124 years; in size 3,864 to 4,606 square feet of building area; and in improvement assessment from \$2.98 to \$3.56 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" for one of the subject parcels. The total assessment is \$22,415 with an improvement assessment of \$20,456 or \$4.72 per square foot of building area.

In support of the current assessment, the board of review submitted three comparables. These properties are described as one and one-half or two-story, frame or masonry, multi-family dwellings. They range: in age from 88 to 136 years; in size from 1,728 to 2,346 square feet of building area; and in improvement assessment from \$5.08 to \$5.45 per square foot of building area. The property listed as comparable #1 is the subject's second parcel.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be all the comparables at varying levels of comparability. While the appellant's comparables are more similar in size, the board of review's comparables are more similar in location. These comparables had improvement assessments ranging from \$2.98 to \$5.45 per square foot of building area. In comparison the subject's improvement assessment of \$4.72 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
