

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Carline
DOCKET NO.: 17-41446.001-R-1
PARCEL NO.: 10-33-424-039-0000

The parties of record before the Property Tax Appeal Board are Mary Carline, the appellant(s), by attorney Jeffrey G. Hertz, of Sarnoff & Baccash in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,781
IMPR.: \$42,263
TOTAL: \$52,044

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 59 year old, one-story, dwelling of masonry construction with 2,699 square feet of living area. Features of the dwelling include two and one-half baths, a full finished basement, and a two-car garage. The property has a 10,296 square foot site and is located in Lincolnwood, Niles Township, Cook County.

The appellant also contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold on June 13, 2016 for \$399,100. The appellant's pleadings regarding Section IV- Recent Sale Data confirmed: the closing date, sale price, that the parties to the transaction were not related, that the subject was advertised for sale on the MLS for 94 days, and the seller's mortgage was not assumed. In support, the appellant submitted the settlement statement, judicial certificate of sale, and the MLS sheet.. The appellant requested a total reduction to \$39,910.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,044. The subject's assessment reflects a market value of \$520,440 when applying the 2017 level of assessment for class 2-04 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of the assessment, the board of review submitted four sale comparables and confirmed the sale of the subject in 2016.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

In addressing the appellant's market value argument, the Board finds that the sale of the subject in June 2016 for \$399,100 is a "compulsory sale." The certificate of judicial sale and MLS sheet disclosed the subject was bank owned and purchased through the Judicial Sales Corporation. A "compulsory sale" is defined as:

(i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211 387 N.E.2d 351 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of the comparable properties for the purpose of revising and correcting assessments,

including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sale of comparable properties submitted by the parties to revise and/or correct the subject's assessment.

The evidence submitted disclosed the subject's sale was a compulsory sale. In determining the fair market value of the subject property, the Board looks to the evidence presented by the parties. The Board finds the board of review's comparables set the range of market value for the subject. The comparables sold from May 2015 to April 2016 for prices ranging from \$355,000 to \$850,000 or from \$184.04 to \$347.79 per square foot of living area, including land. These comparables are similar in age, size, construction, and location. The subject's assessment reflects a market value of \$147.87 per square foot living area, including land which is below the range established by the best comparable sales in this record. Accordingly, in determining the fair market value of the subject property, the Board finds that the appellant did not submit sufficient evidence to show the subject was overvalued. Therefore, the Board finds that the appellant has not met its burden by a preponderance of the evidence and that the subject does not warrant a reduction based upon the market data submitted into evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
