

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Breslin
DOCKET NO.: 17-41608.001-R-1
PARCEL NO.: 20-16-205-021-0000

The parties of record before the Property Tax Appeal Board are Daniel Breslin, the appellant(s), by attorney Anne E. Larsen, of the Law Offices of Frank A. Edelman, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,245
IMPR.: \$8,053
TOTAL: \$9,298

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 127-year-old, one-story, building of frame construction containing 1,886 square feet of gross building area. Features of the subject include a full unfinished basement. The property is situated on 2,075 square feet of land in Chicago, Lake Township, Cook County. The subject is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a brief in which he stated the subject was purchased for \$1,000 on October 10, 2017, and an incomplete settlement statement: page two of what apparently was a two-page settlement statement. The subject's sale price reflects a market value of \$0.53 per square foot of gross

building area including land. The appellant provided information in Section IV–Recent Sale Data of the Residential Appeal that the subject was not transferred between related parties; and was sold by the owner. The appellant failed to disclose how the sale was settled. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when applying the 2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,298. The subject's assessment reflects a market value of \$92,980, or \$49.30 per square foot when applying the 2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on three suggested comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant failed to submit evidence in support of the sale to establish overvaluation. The Board gave little weight to the subject's sale because evidence did not show the elements of an arm's-length transaction for fair cash value. The property was sold by the owner but there was no evidence of how it was advertised in the open market and for how long. There was no evidence of the date, amounts and circumstances of the sale. Therefore, the Board finds an assessment reduction for overvaluation is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
