

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ratnaker Muditanapally  
DOCKET NO.: 17-41657.001-R-1  
PARCEL NO.: 07-35-301-039-0000

The parties of record before the Property Tax Appeal Board are Ratnaker Muditanapally, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,044  
**IMPR.:** \$32,620  
**TOTAL:** \$34,664

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story townhome of frame and masonry exterior construction with 1,865 square feet of living area. The townhome is approximately 16 years old. Features of the home include a full unfinished basement, central air conditioning, one fireplace and a two-car garage. The property has a 1,487 square foot site and is located in Roselle, Schaumburg Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located in the same neighborhood code as the subject. The comparables are improved with class 2-95 townhomes of frame exterior construction with 1,135 square feet of living area each. The dwellings are either 43 or 44 years old. Each comparable has a full

unfinished basement, central air conditioning, one fireplace and a two-car garage. The comparables have improvement assessments of \$15,904 or \$16,438 or either \$14.01 or \$14.48 per square foot of living area, respectively. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$26,576 or \$14.25 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,664. The subject property has an improvement assessment of \$32,620 or \$17.49 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within a different neighborhood code than the subject property. The comparables are improved with two, one-story class 2-03; one, two-story class 2-07; and one, multi-level class 2-34 dwellings of frame construction ranging in size from 1,325 to 1,462 square feet of living area. The comparables are each 32 years old. The comparables have partial or full basements, two of which have finished area. Three comparables each have central air conditioning. One comparable has one fireplace. Each comparable has a two-car garage. The comparables have improvement assessments ranging from \$23,642 to \$26,437 or from \$17.63 to \$19.29 square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the board of review's comparables due to their dissimilar locations and/or dissimilar designs when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables. These comparables are most similar to the subject in location, design, basement and other features, except each comparable has an older age and a smaller dwelling size than the subject. These comparables have improvement assessments of \$15,904 or \$16,438 or either \$14.01 or \$14.48 per square foot of living area, respectively. The subject's improvement assessment of \$32,620 or \$17.49 per square foot of living area falls above the assessments of the best comparables in this record but is supported by the evidence due to its newer age and significantly larger dwelling size than the comparables. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment based on inequity is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
