

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ioannis Daoulas
DOCKET NO.: 17-41688.001-R-1
PARCEL NO.: 10-15-331-007-0000

The parties of record before the Property Tax Appeal Board are Ioannis Daoulas, the appellant, by attorney Spiro Zarkos, of Verros Berkshire in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,984
IMPR.: \$32,501
TOTAL: \$37,485

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,174 square feet of living area. The dwelling is approximately 54 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 6,875 square foot site and is located in Skokie, Niles Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The Property Tax Appeal Board takes notice the property was the subject matter of an appeal before the Board for the 2016 tax year under Docket No. 16-36628.001-R-1. In that appeal the Property Tax Appeal Board issued a decision reducing the subject's assessment to \$37,485 based on the evidence submitted by the parties. Furthermore, the record reveals that the subject property is an owner-occupied residence, as the property address and the appellant's mailing

address are identical. The Board also takes notice that 2016 and 2017 are in the same general assessment period in Niles Township.

For this 2017 appeal, the appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$43,118. The subject property has an improvement assessment of \$38,134 or \$17.54 per square foot of living area.

. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The Property Tax Appeal Board takes notice that the subject property was the matter of an appeal before the Board for 2016 under Docket Number 16-36628.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$37,485 based on the evidence submitted by the parties for tax year 2016. Furthermore, the subject is an owner-occupied residence. The Property Tax Appeal Board also finds that Niles Township's general assessment period began with the 2016 tax year and runs through the 2018 tax year. The Board further finds Section 16-185 of the Property Tax Code controls in this matter.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

In summary, the Board finds this record establishes that the subject property is an owner-occupied residence and the 2016 through 2018 tax years are in the same general assessment period. This finding is pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) and the fact that 2016 and 2017 are within the same general assessment period in Niles Township. The record contains no evidence indicating that the assessment year in question is in a different general assessment period or that the subject property recently sold establishing a different fair cash value. For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
