

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Caparos
DOCKET NO.: 17-42139.001-R-1
PARCEL NO.: 04-09-407-026-0000

The parties of record before the Property Tax Appeal Board are George Caparos, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,783
IMPR.: \$40,339
TOTAL: \$49,122

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,640 square feet of living area. The dwelling is approximately 94 years old. Features of the home include a full unfinished basement and central air conditioning. The property has an 8,171 square foot site and is located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on seven comparables located within the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of frame, stucco, masonry or frame and masonry exterior construction ranging in size from 2,344 to 3,112 square feet of living area. The dwellings range

in age from 65 to 94 years old. Each comparable has a full or partial basement with two having finished area. Each comparable has central air conditioning, six comparables each have one or two fireplaces and either a 1-car or a 2-car garage. The comparables have improvement assessments that range from \$11,735 to \$32,749 or from \$4.38 to \$13.70 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$27,290 or \$10.34 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,122. The subject property has an improvement assessment of \$40,339 or \$15.28 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on seven comparables located within the same neighborhood code as the subject property.¹ The comparables are improved with two-story dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 2,294 to 3,038 square feet of living area. The dwellings range in age from 75 to 110 years old. Each comparable has a full or partial basement with one having finished area. Each comparable has central air conditioning, four comparables each have one or two fireplaces and six comparables have a 1-car to a 2.5-car garage. The comparables have improvement assessments that range from \$37,626 to \$55,079 or from \$16.26 to \$20.67 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 14 comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3, #4, #5, #6 and #7, along with board of review comparables #1, #2, #3, #4, #6 and #7 as each has a garage unlike the subject.

The Board finds the best evidence of assessment equity to be appellant's comparable #2 and board of review comparable #5. These comparables are relatively similar to the subject in location, dwelling size, design and features. They have improvement assessments of \$31,878 and \$47,186 or \$13.60 and \$19.71 per square foot of living area, respectively. The subject's improvement assessment of \$40,339 or \$15.28 per square foot of living area is bracketed by the two best comparables in this record. After considering adjustments to the comparables for differences from the subject, the board finds the subject's assessment is supported. Based on this

¹ For ease of read the Board has renumbered parcel numbers 04-09-419-020-0000, 04-35-318-004-0000 and 04-10-301-030-0000 as comparables #5, #6 and #7, respectively.

record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
