

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barry Zachary
DOCKET NO.: 17-42147.001-R-1
PARCEL NO.: 04-30-408-030-0000

The parties of record before the Property Tax Appeal Board are Barry Zachary, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,521
IMPR.: \$64,074
TOTAL: \$74,595

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry exterior construction with 3,620 square feet of living area. The dwelling is approximately 9 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 10,020 square foot site and is located in Glenview, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the same neighborhood code as the subject property. The comparables each have a site with 10,020 square feet of land area. The comparables are improved with similar class 2-78 dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 2,395 to 3,401 square feet of living

area. The dwellings range in age from 7 to 62 years old. Each comparable has a full or partial unfinished basement and central air conditioning. Three comparables each have a fireplace and three comparables each have a two-car garage. The properties sold from July to October 2016 for prices ranging from \$380,000 to \$650,000 or from \$127.69 to \$203.38 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$64,073, reflecting a market value of \$640,730 or \$177.00 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$74,595. The subject's assessment reflects a market value of \$745,950 or \$206.06 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in Glenview. The comparables have sites ranging in size from 8,686 to 13,502 square feet of land area. The comparables are improved with similar class 2-78, two-story dwellings of masonry or frame and masonry exterior construction ranging in size from 3,294 to 3,775 square feet of living area. The dwellings range in age from 7 to 12 years old. Each comparable has a full basement with three having finished area. The comparables each have central air conditioning, one or two fireplaces and a two-car garage. The properties sold from January 2015 to March 2016 for prices ranging from \$967,000 to \$1,350,000 or from \$258.28 to \$372.93 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables #2, #3 and #4 due to their smaller dwelling size, older age and/or lack of a garage when compared to the subject. The Board gives reduced weight to board of review comparable #1 as it sold less proximate in time to the January 1, 2017 assessment date than the remaining comparables in the record.

The Board finds the best evidence of market value to be appellant's comparable sale #1 and board of review comparable sales #2, #3 and #4. These comparables are relatively similar to the subject in dwelling size, design and age. They sold from September 2015 to July 2016 for prices ranging from \$650,000 to \$1,150,000 or from \$191.12 to \$349.12 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$745,950 or \$206.06 per square foot of living area, including land, which is within the range established by

the best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
