

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ray L. Johnson
DOCKET NO.: 17-42242.001-R-1
PARCEL NO.: 31-36-106-005-0000

The parties of record before the Property Tax Appeal Board are Ray L. Johnson, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,160
IMPR.: \$3,591
TOTAL: \$5,751

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 66-year-old, one-story, building of frame and masonry construction containing 974 square feet of gross building area. Features of the subject include a slab foundation and a one-car garage. The property is situated on 7,200 square feet of land in Park Forest, Rich Township, Cook County. It is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on eight suggested comparable sales and an analysis entitled "Market Value Equalization Based On Median Price/SF" disclosing adjustments to the property

values of those comparable properties. These properties sold from 2016 through 2017 for prices ranging from \$13.62 to \$34.25 per square foot of gross building area including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$5,751. The subject's assessment reflects a market value of \$57,510, or \$59.05 per square foot of living area including land, when applying the 2017 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested sale comparable properties. These properties sold from 2014 through 2016 for prices ranging from \$131.25 to \$272.59 per square foot of gross building area including land.

In rebuttal, the appellant argued the board of review's suggested comparable properties were dissimilar to the subject. The appellant reiterated the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant failed to establish the admissibility of and to lay a foundation for the adjustments in the equalization analysis. Therefore, the Board gives them no weight. However, the Board may consider the raw, unadjusted sale data.

The Board finds the best evidence of market value to be the appellant's comparable sale(s) #1 through #8, and the board of review comparable sale(s) #1. These comparable properties sold for prices ranging from \$13.62 to \$131.25 per square foot of living area, including land. The subject's assessment reflects a market value of \$59.05 per square foot of living area including land, which is within the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
