

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nikolaos Manousopoulos
DOCKET NO.: 17-42573.001-R-1
PARCEL NO.: 30-20-406-037-0000

The parties of record before the Property Tax Appeal Board are Nikolaos Manousopoulos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,653
IMPR.: \$2,104
TOTAL: \$3,757

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame and masonry exterior construction with 1,137 square feet of living area. The dwelling is approximately 67 years old. Features of the home include a full unfinished basement and a one-car garage. The property has a 4,725 square foot site and is located in Calumet City, Thornton Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales that were located within the same neighborhood code as the subject. The comparables had lots ranging in size from 4,125 to 5,040 square feet of land area and were improved with similar class 2-03 dwellings of masonry or frame and masonry exterior construction. The comparables range in size from 1,126 to 1,283

square feet of living area and range in age from 65 to 67 years old. Each comparable has a full basement, three of which have formal recreation rooms. Two dwellings have central air conditioning and each comparable has a one-car to a two-car garage. The comparables sold from April 2015 to March 2017 for prices ranging from \$28,000 to \$55,000 or from \$24.87 to \$47.83 per square foot of living area, including land.

Based on this evidence, the appellant requested that the subject's total assessment be reduced to \$3,757. The requested assessment would reflect a total market value of \$37,570 or \$33.04 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$6,272. The subject's assessment reflects a market value of \$62,720 or \$55.16 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that were located within the same neighborhood code as the subject. The comparables had lots of either 5,580 or 6,491 square feet of land area and were improved with similar class 2-03 one-story dwellings of frame and masonry exterior construction. The comparables each contain 1,102 square feet of living area and were each 56 years old. Each comparable has a concrete slab foundation. One comparable has central air conditioning and each property has either a 1.5-car to a 2-car garage. The comparables sold from May 2014 to May 2017 for prices ranging from \$80,000 to \$115,000 or from \$72.60 to \$104.36 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of eight comparable sales which have varying degrees of similarity to the subject to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to board of review comparable #4 due to the remote 2014 sale date when considering the valuation date at issue of January 1, 2017.

The Board finds the best evidence of market value to be the appellant's comparable sales along with board of review comparable sales #1, #2 and #3. These most similar comparables sold between April 2015 and May 2017 for prices ranging from \$28,000 to \$105,000 or from \$24.87 to \$95.28 per square foot of living area, including land. The subject's assessment reflects a

market value of \$62,720 or \$55.16 per square foot of living area, including land, which is within the range established by the best comparable sales in this record but appears to be excessive given the apparent greater similarities of appellant's comparables #2 and #3 with the subject property. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
