

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nowak Kinga  
DOCKET NO.: 17-42604.001-R-1  
PARCEL NO.: 19-19-115-030-0000

The parties of record before the Property Tax Appeal Board are Nowak Kinga, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,596  
**IMPR.:** \$29,070  
**TOTAL:** \$32,666

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry exterior construction with 2,352 square feet of living area. The dwelling is approximately 9 years old. Features of the home include a full basement with finished area, central air conditioning and a two-car garage. The property has a 3,996 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the subject's neighborhood code and within .28 of a mile from the subject property. The comparables are improved with similar class 2-78 two-story dwellings of frame or frame and masonry exterior construction ranging in size from 2,012 to 2,352 square feet of living

area. The dwellings range in age from 49 to 58 years old. One comparable has a concrete slab foundation and three comparables each have a full unfinished basement. Each comparable has central air conditioning, one comparable has a fireplace and three comparables each have a two-car garage. The comparables have improvement assessments that range from \$21,356 to \$24,739 or from \$10.15 to \$10.70 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$24,631 or \$10.47 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,666. The subject property has an improvement assessment of \$29,070 or \$12.36 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same block of the subject property and in the subject's neighborhood code. The comparables are improved with similar class 2-78 two-story dwellings of masonry exterior construction, each with 2,352 square feet of living area. The dwellings are 4 or 9 years old. Each comparable has a full basement with three having finished area. The comparables each have central air conditioning and three comparables each have a two-car garage. The comparables have improvement assessments that range from \$29,702 to \$31,636 or from \$12.63 to \$13.45 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables due to their considerably older dwellings when compared to the subject dwelling. The Board finds the best evidence of assessment equity to be the comparables submitted by the board of review. These comparables are similar if not identical to the subject in dwelling size, design, age and features, except comparable #1 lacks a garage unlike the subject and comparable #4 has an unfinished basement when compared to the subject's finished basement. The comparables have improvement assessments that range from \$29,702 to \$31,636 or from \$12.63 to \$13.45 per square foot of living area. The subject's improvement assessment of \$29,070 or \$12.36 per square foot of living area is below the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
